

REMARKS

Enclosed herewith is a Petition to the Commissioner and requisite fee extending the due date for response by two months, i.e., to November 9, 1993.

The Examiner has requested that the flow diagrams accompanying the specification be resubmitted as formal drawings or as a Microfiche Appendix. Applicant has elected the latter method of presenting the flow diagrams and has enclosed herewith the required Microfiche Appendix containing same. Applicant has also amended the specification to refer to the Microfiche Appendix as required by applicable rules of the Office.

In view of the above, applicant submits that all formal requirements in the application have now been satisfied. Accordingly, passage of the application to issue is respectfully requested.

Respectfully submitted,
